

ABSOLUTE POWER

Brunswick Absolute Inferno™

Think you can handle absolute power? Find out with the new Absolute Inferno from Brunswick. By combining the red-hot performance of the Ultra-Low RG core from the original Inferno with the aggressiveness of a rough-buff, pearlized Activator®+ coverstock, the Absolute Inferno sets a new standard for traction that leaves other balls behind. For improved hook potential, a more angular breakpoint, and better mid-lane recovery and forgiveness, there's only one absolute you can count on – Absolute Inferno.
