## ACHIEVED!

Mark Wukoman achieved perfection bowling just the ninth sanctioned 900 series in history. How did he do it? With the hard-hitting, performance of the AMF300 Radar – that's how. Surprised? Mark isn't, and neither will you once you've thrown AMF300. Learn more about the AMF300 Radar, and our latest, the new AMF300 Radar Lock, at [www.AMF300.com](http://www.AMF300.com). Perfection awaits.
