

SUPER SCAMP

Truth, Justice and the American Game.

At AMF 300™, we're adding our new Super Scamp™ to our entry-level performance line, which is already powerful! For more hook, we gave Super Scamp a super ceramic core with a powerful coverstock, Super-Flex™ with particle. Now, with Super Scamp joining its predecessor, the Scamp™, we've got the strongest one-two punch in the entry-level market. Best of all, it hits the mark with anyone's budget.
