

HERE'S TO THE MAN WHO HAD A BETTER RIGHT HOOK THAN THE HEAVYWEIGHT CHAMPION OF THE WORLD.

In 1988, Brian Voss threw a devastating combination. A crisp right hook and the Angle Ball.

With their help, he won the Trustcorp PBA National Championship (ANGLE PLUS) and the True Value Open

(PURPLE ANGLE). He established a new PBA record for earnings in a single season. And after it was all said and done, Brian was named PBA *Player of the Year*.

Congratulations from the folks in your corner.
