

A KINDER AND GENTLER COBRA.™

For greater control, choose the polished Gunsmoke Cobra.

Clearly the AMF Cobra is one of the most successful balls ever. And now it's available at a price that makes it attractive to everyone with the need to take their game to the next level.

The Cobra is a winner on the Tour, in League play and in pro shops across the country. Its 2-piece construction features an innovative strike-coil weightblock surrounded by 71% more urethane. These breakthroughs have led to not only a dazzling performance record, but a slew of imitators

trying to capture the original Cobra magic.

The point is this. When it comes to proven 2-piece technology you don't have to pay full price for an imitation Cobra. You can now get the real thing for a very affordable price. The Cobra still attacks every pin in sight. But it's been recently trained not to take a bite out of your wallet. The AMF Cobra. It's not only one of the best balls in bowling; it's the best value, too.
