

**High-revving, unstoppable force.**

**Now available in a controllable form.**

The new RPM Ultra-C™. Ultra revs. Ultra hook. Ultra devastation for the pins. The Ultra secret? Its oversized, drillable Ceram-X™ inner core coupled with a new, super lane-gripping Reactathane III™ coverstock for a big, backend punch not even heavy oil can stop. Ask your pro shop about the newest addition to the great RPM line. The Ultra-C. Under your control, it's unstoppable.
