

The Ultra-C.TM Now In A Pearl Finish.

Longer skid through the heads. Stronger snap into the pins. With intensified hook, skid, and flip. That's the power of the Pearl—the new Ultra-C Pearl, from AMF. All the drive and control of the original, now upgraded to maximum force with a new pearlescent Reactathane III™ coverstock. Try it for size—and watch it run rings around every other ball in the house!
