Little Boy

Revolutionary Twin-Pin Weight System

The first and only bowling balls with the dynamics of a gyro and the uniform pre-stressed cover of Nitrothane. The **"TWIN-PIN WEIGHT SYSTEM,"** dramatically improves the **accuracy** tracking and efficiency of your hook or straight ball.

**ABC / WIBC
APPROVED**

A powerful gyroscopic action is created by the Twin-Pin Weight System, which produces the technical efficiency to deliver a disruptive, explosive, **pin-killing force** at the critical point of impact.

Even more amazing... no matter what your ability... these balls will maximize your **striking power** and knockdown efficiency!
