

**"BUSY AS  EES."**

Who said bowling doesn't take a rocket scientist?  
Not Brunswick technicians, who developed the Quantum® Helix—  
bowling's first ball in history to roll on two different cover stocks.  
And that's just the beginning of our role as bowling's ingenious innovators.  
Give us a call, we'll give you the latest buzz.

"For **innovation**, just
