

**'THE SIGNATURE BALLS THAT WERE
'BORN TO WIN', ARE NOW THE
WINNING-EST BALLS IN BRUNSWICK HISTORY!'**

Brunswick Signature balls were built to meet the standards of Johnny Petraglia, Judy Soutar and Tommy Hudson—the pros who helped design them. The same pros who signed them, bowl with them, and win with them!

Today, they're the favorites of pros and non-pros alike.

Proven winners among Brunswick's fine family of high scoring rubber and polyester balls for '79.
