

Brunswick

MONSTER
SMASHR

Smash hit of the season.

If your game is delivering big back-ends, packed with loads of power, it's time you tuned into the new Monster™ SmashR™, from Brunswick. The competitively-priced SmashR drives through heads to deliver crushing back-ends, thanks to its PowrKoil™ 18 Reactive coverstock and low-RG core system. And while the SmashR delivers more power, it's also extremely forgiving, keeping reactions smooth, and under control. Designed for a wide range of bowlers and styles, the SmashR offers performance you'll only find at much higher prices.

The new Monster SmashR from Brunswick – One smash hit after another!

Coverstock: PowrKoil 18 Reactive | Hook Potential: 115 | Length: 90 | Breakpoint Shape: 65 | Weights: 10-16 lbs.
