

LANE #1

rev it **UP**

Grab your saw and rip apart the lanes with the new Chainsaw from Lane #1. Lane #1 now offers you high performance on drier lanes at a more affordable price. The Chainsaw, with it's all new Skid/Hook reactive coverstock, cuts down more wood faster for higher scores on drier lane conditions. Watch the teeth on this Chainsaw bite hard down the lane and rip through the pins, turning them into sawdust.

INSTRUCTIONS FOR USE: Pull on it, tear the cover off of it and let 'er **RIP**...!!
