

## BEAUTY AND THE BEAST, TOGETHER AT LAST.

### THE BEAST® HAS A BEAUTIFUL NEW PARTNER. PRESENTING THE PEARLIZED BEAST®.

Its pearlized finish makes the Pearlized Beast® a true beauty. Underneath however it's all Beast® with 100% Flexcel™ urethane, so it has a more powerful bite in medium and heavy oil while providing more dynamic striking power. Powerful, beautiful, and affordable. That's the new Pearlized Beast®.
