**Complete Chaos Is Here.  
(Please bowl responsibly.)**

It tears down the lane. And when it hits, it destroys everything in its path. Introducing Complete Chaos™. A ball so aggressive, it snaps harder on the backend and outhooks anything we make today. Tough from the inside out, this powerhouse offers maximum track flare and features a dual flip block bullet core encased in our oil biting TEC™ coverstock. It's lean. It's mean. And it levels the playing field. Literally.
