Bend-It Pearl

Bend-It Pearl is the strongest skid-flip cover ever wrapped around the Resurgence core and offers a new level of performance for Columbia 300's mid-performance line. The Delirium is set up to deliver serious performance on medium lane conditions where aggressive backend is needed.

Resurgence Core

The Delirium features the original Resurgence core, a core known for versatility and performance. The low RG and medium Differential, along with a simple shape has made the Resurgence core a favorite for bowlers of any style.

What To Expect:

Combining Bend-It Pearl, a top performing cover, along with one of Columbia 300's most renowned cores is an exciting move for Columbia 300 fans and brings a new level of performance to the Columbia 300 line up.
