LOUD NOIZE PERFORMANCE

AGGRESSIVE FLIP

For a bowler who is looking for a good value and a great looking ball.

The Loud Noize from Columbia 300 is a mid-priced ball that provides great length and solid turn on the backend of the lane. The Loud Noize is the perfect complement to the original Noize. These two balls together will cover a wide range of performance at a value price.

Worldwide release date 11/06/08.
