Introducing OUTRAGE™, the newest RAGE™ from Columbia 300®. OUTRAGE features the combined power of SUPER-FLEX RESIN II™ with the patented CERAMICORE® Satellite. The polymer core is engineered with increased density dual flip blocks. This keeps OUTRAGE hooking even in heavy oil. And the unique Power Point Pin™ delivers added weight to the top of the core for enhanced hitting power. This ball is the perfect compliment to your RAGE.

Smoke Gray Pearl OUTRAGE. You don't throw it, you unleash it.
