

A NEW ERA BEGINS

A stylized, glowing globe of Earth is the central focus, showing swirling patterns of blue, white, and yellow. The globe is partially obscured by a jagged, white tear in a dark red surface, which appears to be the cover of a book or a CD case. The text 'RESURGENCE' is written in a large, orange, outlined font across the middle of the globe, with 'COLUMBIA 300' in a smaller, similar font below it.
