

COLUMBIA 300

Sometimes, you just don't need a reactive coverstock.

Introducing the NEW Non-Reactive Stingray and Blue Beast from Columbia 300.

Two of the newest additions to the Columbia 300 line in 1994, these balls are the answer you've been looking for if your customers need a non-reactive ball in their arsenal. You know if it's from Columbia, it's top quality and designed for performance.

COLUMBIA 300

Columbia bowls the world over.®
