# World Beater

# High Performance

Introducing the latest high performance ball from Columbia 300 – The WORLD BEATER. Equipped with the innovative high performance Arrowhead core and the brand new Super Tilt Solid coverstock, the World Beater is the right ball to take on any competition. The World Beater core and coverstock combines high RG with extreme strength and versatility designed to cut through a variety of lane conditions and always hook in the right spot. The World Beater’s finish will work on medium to heavy oil conditions and can be polished to work great on medium to lighter volume conditions. When winning matters, bring the best ball on the market-bring your World Beater. It’s that good.
