

# The Thing has evolved!

The perfect compliment to THE THING™ is now available, THE THING RETURNS™. The new Pearl Soaker™ Resin Coverstock, accompanied by a higher RG system, makes entry angles possible that were previously thought unreachable by mere mortals. Using the latest advancements in Soaker technology, you can rest assured that THE THING RETURNS™ will get through the front easily and return strong on the backend, time, after time, after time. THE THING RETURNS™ is destined to become a vital part of your arsenal. Become the envy of your lanes.
