

His ball will break

at some point

in the next

split second

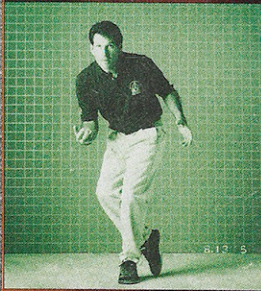

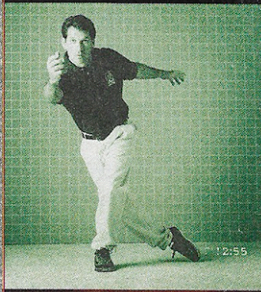

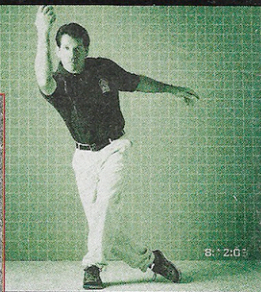

Does he know when?

Does he know where?

Does he care?

ABSOLUTELY

INTRODUCING  
THE APEX INTENSITY™

The increased torque of the new two-in-one Fusion™ core propels the Intensity down the lane, releasing energy on the backend to maximize overall hook and create an angle of entry that leaves nothing but deadwood in its wake. Know when, where, and how your next shot will break. Get to know Apex Intensity.
