

WIN I BOWL TO WIN.

I believe that **YOU LEARN MORE** when you're bowling bad than you do when you're bowling good.

A lot of people don't learn when they're bowling bad.

If you're bowling good, it's easy. If you're bowling bad, you have to **GET OVER BEING MAD** and dejected and everything else.

So you learn from it. And the next time you're in that situation **YOU SURVIVE.**

I learn something **EVERY TIME I GO OUT THERE.**

I AM TOMMY JONES.

I AM EBONITE.

AND I BOWL TO WIN.
