THE CAT SERIES™ BY EBONITE

Want to dominate your league? Well, there's a Cat ball for any type of player and lane condition. There's the Tiger which attacks the pins with a sharp backend for inside angles. The low RG Panthera claws its way through heavier oil conditions. The hard-hitting Wildcat, purring with its smooth revving core, provides consistency on the medium conditions. And the Puma's lower flare light bulb core stalks its prey on the lighter oil conditions.

With the Cat Series, you're ready for the hunt to dominate your league. Choose the one that fits your style, or get 'em all for a complete arsenal. Check out the Cats at your pro shop today. Then tear up the lanes with the complete series of balls that'll completely shred the rack.
