STRIKING DIFFERENCE**

**STRIKING RED 3-D OFFSET HAMMER®**  
**The Hookingest 3-D Offset Hammer Available!**

**New Microflex Aggressive Reactive Coverstock • Triple Density Weight Block**

**In the tradition of the 3-D Offset Hammer series**

**STRIKING RED:** Grips the lane in heavy oil. Heavy revs at mid-lane with strong reaction at the break point.

**VIBRANT BLUE:** Later break point. Turns the corner harder. Gets through the heads better on light to medium oil.

**BLAZING VIOLET:** Creates highest rate of revolution. Rolls up heavy in front part of lane. Smooth transition from skid to hook.
