

460,000 reasons why bowlers choose Hammer® Offset Technology and 3-D Offset Hammers when big money is on the line.

\$460,000, that's what amateur bowlers won using 3-D Offset balls at the 1997 editions of the High Roller and Sunset Shootout.

Congratulations to the Big Money Winners.

The only two time High Roller Winner, Paul Renteria relies on Hammer Offset Technology and 3-D Hammer balls when it comes to big money decisions. Both of Paul's High Roller wins were with Hammer Balls.

PAUL RENTERIA: \$200,000

1st Place, High Roller

FRANK GRASSO: \$100,000

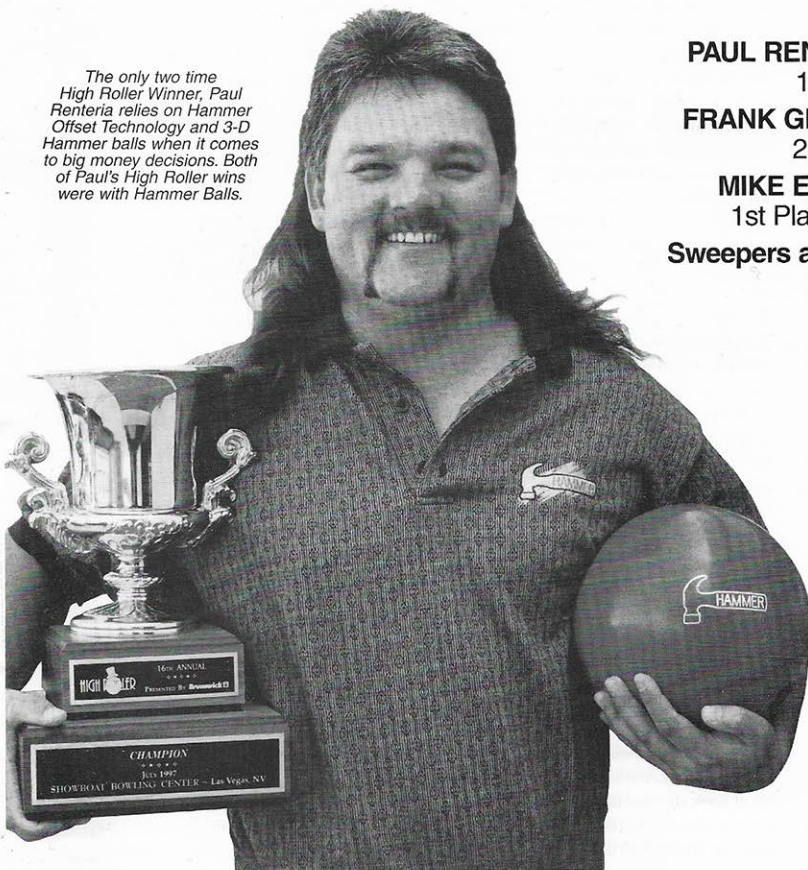

2nd Place High Roller

MIKE EATON, Jr. \$40,000

1st Place, Sunset Shootout

Sweepers and Other Finishers

Position: **\$120,000**

When the game and the money are on the line, Hammer Offset technology provides the H.O.T. Hand.
