## DESIGN, DELIVERY, DRAMA

**DESIGNED** by FABALL™ with the innovative reactive coverstock NEOFLEX by Tadco, the 3-D HAMMER® boasts a triple density core with two specifically balanced flip blocks and a high volume center sphere. **DELIVERY** of the 3-D HAMMER creates a high rate of revolution, increasing the pocket entry angle for optimum striking capability. Witness the **DRAMA** of performance that has to be seen to be believed. To get your ticket to the next dimension, pick up the 3-D HAMMER.
