# RESULTS

**Our Staff PLUS The Two-Piece Ball With More Wins Than All Other Two-Piece Balls Combined, EQUALS Winning Results.**

The *Hammer*<sup>®</sup> ball has won more Professional & Amateur Tournaments than any other two-piece ball. In fact, the *Hammer* has won more Tournaments than all other two-piece balls combined. The Secret of the *Hammer* lies in our vast experience in fabricating a truly superior two-piece bowling ball.

The '89 PBA Winter Tour was dominated by *Hammer* balls. Pros used *Hammers* in the TV Finals & won

more titles than any other ball. In the 1990 PBA Spring & Summer Tour, *Hammers* have won more than any other ball.

*Hammers* are made to perform, on all types of lanes from dry to oily. A Blue *Hammer* is designed for heavily oiled lanes, while the Pink *Hammer* is made for dry lanes. The Original Black *Hammer*, Red *Hammer* and Pearl *Hammers* are designed for lane conditions in between.

Remember, when you want the striking power of a two-piece ball choose the ball with striking results — choose the *Hammer*.

**Nothing Strikes Like A Hammer!**
