

# BUZZSAW/C CARBIDE

The Best Bowling Ball Ever!!! Inside and Out

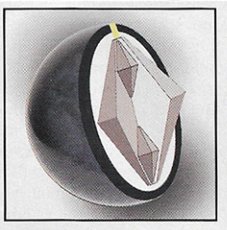

Lane #1 new Buzzsaw/C "Carbide", has the sharpest teeth ever surrounding a Buzzsaw bowling ball with its new "Carbide Particle Formula" coverstock. With the perfect combination of Lane #1's patented diamond core and new "CPF" cover, the Buzzsaw/C "Carbide" cuts through more oil, out hooking & striking all competitors. The new Buzzsaw/C "Carbide" hits harder while scoring more consistently, giving you the confidence needed, for you to win!

For bowlers not in need of a 16lb. ball, Lane #1's 14 & 15 lighter weight "Carbide" Saws come fully packed with the 16lb. Ball core, power boosting these light-weights for optimum performance. This feature available first and only from Lane #1.

## Satisfaction Money-Back Guarantee Offer

The patented diamond shape bowls more 300's and 800's per ball, than any other shaped core.

Patent No. 5,238,235

The combination of the Buzzsaw's "Carbide Particle Formula" cover and the physics associated with our patented diamond core, is why Lane #1 is proud to be the **first** and **only** manufacturer of bowling balls to offer a **satisfaction money back guarantee** on their product. Lane #1 is confident that your new "Buzzsaw" will either hook more, score higher, or strike on a wider variety of lane conditions, or if you are not satisfied with the performance of this ball, just return the ball with your receipt of purchase, within 15 days, for a full refund of the purchase price, less the posted blank ball drilling charge, including inserts (if installed), at your place of purchase. Lane #1 cares about your game and is committed to designing the highest scoring balls possible. Good luck with your new "Buzzsaw" and thank you for choosing Lane #1.

This offer expires May 31st 2000 or if ball is purchased for less than the mfg. sugg. Retail price of \$309. Offer good at participating Pro Shops only. Prices may vary.
