

Yeah! Baby!

"We wanted to create a bowling ball that set very high standards for performance. I believe the "Yeah Baby" Bowling ball is the Strongest Rolling Ball I have seen in all my years of coaching!" says USA Gold Coaching Legend Fred Borden.

"Do you want a ball that gives you great control and creates unbelievable pin action? Do you want a ball that does not soak up oil like mass produced balls? Do you want to raise your average and roll more honor scores? Then give me or one of my Gold Coaches a call today, toll free at 1-888-526-3645 and you can discuss the balls and how we can help you immediately improve your game".
