

# CONGRATULATIONS, EARL!

Earl Anthony just surpassed the \$1,000,000 mark in PBA prize money. He is the first bowler in history to achieve this record. We're proud to have Earl represent Ebonite.

Earl bowls with Ebonite's Magnum balls. In 1981, he won four tournaments and over \$164,000. He has received the coveted "Bowler of the Year" award four times and is the all-time PBA tournament and money leader.

When you're the best, you want the best equipment. Earl Anthony uses Ebonite, shouldn't you?
