

# WELCOME BACK EARL!

Earl Anthony, reigning male bowler of the decade, recently signed a long-term contract with Ebonite. We're proud to have Earl represent Ebonite.

Earl bowls with Ebonite's Magnum balls. In 1981, he won four tournaments and over \$164,000. He has received the coveted "Bowler of the Year" award three times and is the all-time PBA tournament and money leader.

When you're the best, you want the best equipment. Earl Anthony uses Ebonite, shouldn't you?
