“

Best Ebonite ball I have ever thrown. Very consistent line to the pocket with excellent hitting power on light hits, half hits, and deep hits. Kept pins very low on deck which increased my carry. Bowled "705" series first time I used the Magnum 12 in sanctioned competition.

“

Ball hooks hard, finishes strong. Carries as well as any ball I have seen and I have seen them all.

“

Works well on oily lanes. Didn't seem to over-react on medium lanes.

“

I have used more balls than I like to think of. This ball works on all finishes. It hits hard, rolls true. It is the best ball I have used in 12 years. It's nice to be in control of the lanes again.

“

I used this ball mainly on heavy oil and had no trouble getting the ball to react with accuracy and consistency.

“

I haven't been able to use this ball on tour because of oiling patterns. But, I do use it in league play and am averaging 223 . . .
