

# INFORMER™

My sources say bowlers are looking for a strong down-lane ball.

Excellent. Our new Informer ball will work perfectly.

The Informer features a modified version of the Incognito core and the S.H.A.R.P coverstock, but we have added the traction-enhancing TS-1 additive to make it more responsive. The Informer is a strong down-lane addition to the Radical line.

**LEVEL** Top Shelf  
**PART NUMBER** 60-106574-93X
