

# Revolution Invades America!

Rolled 'round the world, Revolution won professional titles, amateur competitions, and became a regular on televised PBA events. Now, Revolution stakes its claim on American lanes.

## **NEW RENEGADE™** *Sky Blue Solid*

*Renegade Sky Blue Solid is the choice of power players because it clears the front end with enough energy for a strong backend reaction — yet minimizes overreaction.*

Pro Traction™ Reactive Coverstock  
Hook Potential: 17.5 - 9.0 (dull/shiny)  
Length: 4.0 / Backend: 11.0 / RG Max: 2.577  
RG Min: 2.540 / RG Diff: 0.037  
RG Avg: 4.6 / 10-16 lbs.

## **NEW VENGEANCE™** *Hunter Green Sparkle*

*Vengeance Hunter Green Sparkle is the favorite when heads and mid-lane are overreactive; the ideal alternative to stronger cover/core combinations.*

Pro Traction™ Reactive Coverstock  
Hook Potential: 18.5 - 10.5 (dull/shiny)  
Length: 5.0 / Backend: 11.0 / RG Max: 2.648  
RG Min: 2.615 / RG Diff: 0.033  
RG Avg: 6.6 / 10-16 lbs.
