

Roto Grip Renegade!

**The First Competitively Priced-
High Performance Reactive Resin
Bowling Ball, by the "Originators of
High Performance Bowling Balls"**

Roto Grip Introduces...

The *Roto Grip RENEGADE*, a 100% reactive resin ball with a computer formulated high density weight block, makes this 3 piece ball more versatile than traditional 2 piece balls. In *oil* or *dry* condition vary the ball finish for best results. The Roto RENEGADE is the perfect addition to the Roto OUTLAW and Roto BANDIT. Available in 12, 14 thru 16, including 14-1/2 and 15-1/2 lb. weights. Sea Blue in color with neon orange engraving fill. Hardness 76-78D. Factory finish is dull. *Roto Grip...The only company that guarantees a life time warranty!*
