

# ROTO-GRIP BOWLING BALLS

READY FOR THE BOWLER WHO'S READY TO MOVE UP

PC  
MODEL

Bowlers about to move up from social to competitive bowling learn about ROTO-GRIP bowling balls from the more experienced bowler. Only ROTO-GRIP carefully tests and weighs every ball to determine Complete Weight Distribution, yet a custom-crafted ROTO-GRIP ball **costs no more** than an ordinary bowling ball!

Now, ROTO-GRIP introduces the all **new** UC-2 ROTO-STAR PC Model, designed to meet the challenge of changing bowling lane conditions. For more information on this polyester core urethane ball with superior tracking ability, extended roll, and reduced wobble and lope, call ROTO-GRIP toll-free at **800 431-1537**.
