SILVER
STREAK

A smaller version of the 'SILVER STREAK' logo is positioned on a dark circular background. The text is white with a black outline, and the background has a subtle gradient.

Silver Streak Pearl™

The Silver Streak Pearl™ is Roto Grip's newest entrant into the mid-priced market. It uses the performance proven Silver Streak Core with a new pearlized coverstock. This Low/ Medium RG core with medium Differential gives you more length with a sharper breakpoint allowing greater entry angle into the pins for increased carry.

Sure Grip Pearl™ reactive surrounds this core creating a stiffer coverstock for those medium to dry lane conditions.
