

INFERNO

Watch the pins fly like a ball of lava just blasted them when you chuck this reactive two-piece with flame core at 'em.

CYBER X

Our urethane killer gives several more boards of hook with a power plus core. Intermediate to advanced bowlers just get better.

CYBER XR

Our techno-dyno is a great first reactive ball, or keeps high average bowlers confident on any lane.

BOWLING BALLS ARE FOREVER

The only bowling balls in the industry that are **GUARANTEED FOR LIFE.***

Now Sports Tec employs cutting edge technology in manufacturing our 3 new balls - making them more scoreable and less over-reactive - all this and at very affordable prices. Ask your bowling center or pro shop for the latest from Sports Tec!
