High End Reactive Performance at a MODERATE PRICE!

The new **Tropical Storm** from High Score Products, Inc. puts the reactive power that made Storm Balls famous into a ball that fits a tight budget. The unique 4-piece design combines with Storm's highly reactive urethane shell to create a startling dynamic shift and subsequent *hook that challenges the most expensive balls!*

***Storm quality!
Storm performance!***

***More pin carrying value than any
other ball on the market!***
