SHAPE-LOCK™ HD CORE

Tighter Spin Radius for Floovier Oil Patterns

Resilient Lightweight Outer Core Dynamically Tuned for Greater Hitting Power

Weighted Disk Maintains Dynamics After Drilling

Consisting of some of the strongest symmetrical balls on the market, the Master™ line is designed for bowlers trying to master their craft. With core features aimed at pushing the limits of Radius of Gyration (RG) and Differential, this line has created a name for itself. The Master line is known for having balls with a strong arcing motion, as well as defined pocket-entry angles. Price truly does equal performance with this lineup!
