

INTRODUCING BRUNSWICK'S
NEWEST SIGNATURE BALL.

THE TOMMY HUDSON LT-51,TM BORN TO WIN.

HERE'S THE BALL THE PROS HAVE BEEN ASKING FOR...
THE BALL YOUR BOWLERS HAVE BEEN LOOKING FOR.

Tommy Hudson helped develop and test Brunswick's newest polyester ball, the sensational LT-51. Tommy signed it. Tommy bowls with it. Hudson knows that the LT-51 meets his own rigorous standards, the standards that make him a winner. This new Brunswick® ball provides

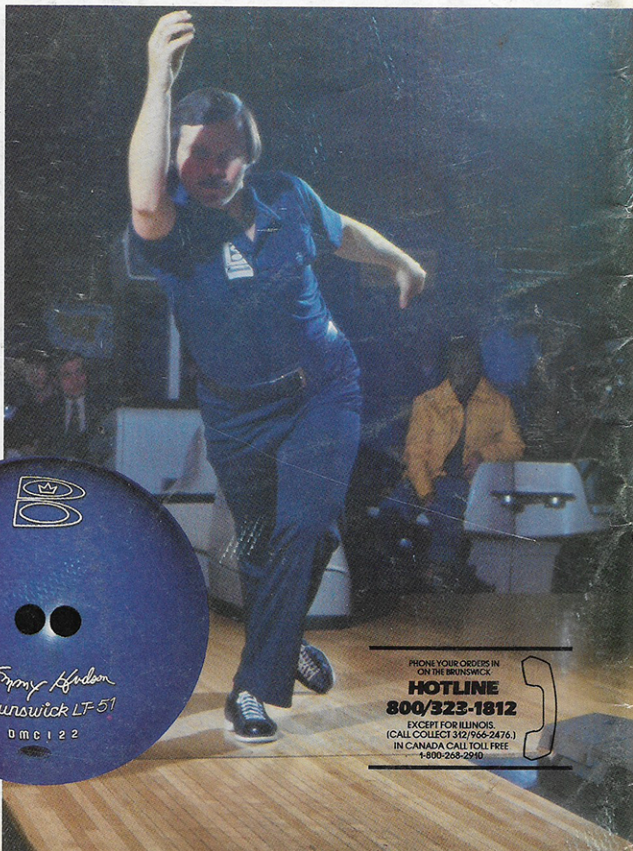

maximum driving action. Allows more hooking on today's harder lane surfaces. The precision designed core, concentrated weight block and more porous cover combine to offer true balance and added ball control.

Brunswick's LT-51 comes through for Tommy Hudson. And it will come through for every one of your bowlers with tough finishing power... power that drives through those pins!

On National TV this fall,
watch for Brunswick's...
