RUCTION Patrick Allen and Wes Malott have paired to destroy the PBA tour and Track has paired two incredible tools of destruction to make sure they get the job done. The Mean Machine, Track's latest destroyer, combines the new Fang LS Control™ coverstock and a redesigned Robo core for ultimate hook, strong reaction and pin crushing power. Paired with the proven Track Machine, the strongest oil-to-dry transition ball on the market today, an unstoppable medium-to-heavy oil arsenal is created to destroy anything in its path.
