

They put the pins to sleep

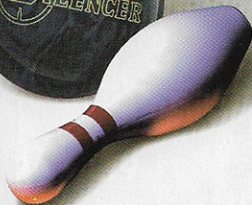

and egos to rest.

They're the Silencers.

THE SILENCER

TRACK BOWLING PRESENTS:

CAROL GIANOTTI-BLOCK IN THE SILENCER
WITH STEVE HOSKINS, AMLETO MONACELLI,
AND SPECIAL GUEST SUGAR RAY LEONARD

Listen up, the Silencer is here. A lean, mean, deadly efficient machine. Just get a load of these specs; high flare potential, the highest hook rating of any Track ball, our ProTraktion Plus coverstock, and a modified Ringed Core 2 Technology. Put it all together and you have more mid-lane hook, a seriously strong flip, and a major increase in angle of entry. This baby is tailor made for heavy oil. The Bruiser Blue & Black Silencer. Stand back and deliver.

EVOLUTIONARY. REVOLUTIONARY.
