

WHEN SUGAR RAY LEONARD
CALLED ABOUT BEING PARTNERS,
WE WERE FLOORED.

OF COURSE, HE DOES HAVE A HISTORY
OF KNOCKING THINGS DOWN.

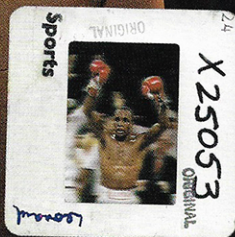

When Sugar Ray Leonard said he loved our new ball, we said great. When he said he wanted to throw our new ball, we said great. When he said he wanted to be the spokesman for our new ball, we said "how fast can you be here?".

Sugar Ray was the best of the best. Olympic Gold Medal winner, five time world champion, fighter

of the decade. He's a proven winner. At Track, we strive for the very same lofty heights.

To be the best of the best. The new K.O. Punch is going to help us do that.

With a little help from Mr. Sugar Ray Leonard.

EVOLUTIONARY. REVOLUTIONARY.
