

STICK IT
TO THE COMPETITION.

If you really want to put the competition on pins and needles, you need the new Track Magic™ Voo Doo™. Designed with a reactive coverstock and core-in-a-core technology, the Voo Doo works magic on medium lane conditions. Its polished finish and medium flare potential make Voo Doo a solid, all-around performer. So if you really want to stick it to the competition, check out the Track Magic Voo Doo. It's just what the witch doctor ordered.
